

RDF30 | REGENT SERIES DUAL FUEL RANGE

AEG

30" Stainless Steel Freestanding Dual Fuel Range, 5.7 Cu. Ft. Oven

FEATURES & BENEFITS

Cool Flow System

Unique Cool Flow System that generates a flow of cold air thanks to inner fans that are engineered to keep cool to the touch knobs, handle and exterior surfaces.

Five Burners

A total of 5 sealed gas burners offer a combined output of 45,600 BTUs. The special simmer burner offers an ideal 750 BTUs of output for a precise simmering temperature.

Black Enamel Surface

Exclusive one-piece tooled black enamel cooking surface, modern design, resilient to scratches, contains spills for easy cleaning.

Cast Iron Support Grates

Heavy duty cast iron grates, so pots and pans can be moved from one burner to another easily and without risk of tipping over.

Convection Oven

Oven features 2 convection fans to evenly circulate heat throughout the oven, producing tastier results than traditional radiant heating methods.

Large Panoramic Window

Triple-pane glass, large panoramic window provides clear view of what's cooking, cool touch surface.

AVAILABLE COLOURS

Stainless Steel with Black Enamel Cooktop

GENERAL PROPERTIES

Fuel Type	Dual fuel / Natural gas – Propane
Style	Freestanding
