MOE'S

Dunmore Chaise Tan

A chaise that already looks like it has stories to tell. Dunmore pairs transitional comfort with clean mid-century lines, so it feels at home in both tailored and relaxed spaces. The waxed tan top-grain leather starts softly aged and only gets better as it patinas over time. Button tufting along the inside back and arms adds structure without fuss, while foam-and-fiber cushioning keeps lounging easy. Consider it your daily unwind, upgraded.

- Transitional Meets Mid-Century: A clean-lined chaise with a balanced silhouette—easy to style with classic pieces, modern accents, or anything in between.
- Waxed Tan Leather: 100% top-grain leather in a warm tan finish that starts with an aged look and develops richer patina with use.
- Solid Frame Support: Solid red meranti and plywood frame construction designed for dependable everyday lounging, with button tufting that keeps the profile tailored.
- Comfort-First Seat: Webbing suspension plus foam-and-fiber fill creates a supportive sit with a softer feel—ready for reading, stretching out, or power naps.
