Arm Height: 18.25"

Seat Height: 15.25"

Finish: Harlow Silver

Materials: Mahogany/F0243 Uttermost Natural

Item Weight: 30 lb

When Aimee Kurzner designed the Emmitt Natural Chair, she added a petite slipper chair to the upholstery lineup. Design details of note are the lines carved into the arcing arms and the three buttons on the chair's back. The ivory chair is a small beige chair with a frame in a Harlow Silver Leaf finish covered in a cut chenille fabric in a neutral palette with hints of lavender.
