MACKIE DINING CHAIR

MONOGRAM WALNUT COLLECTION

ITEM # 315-622

Mackie Dining Chair adds a slightly more modern touch to the Monogram Walnut dining room. To achieve this current vibe, it uses a slightly lower overall height with clean lines. But the best design elements of this chair are found in the joinery of the solid walnut. Instead of sharp angles, a graceful radius shape is incorporated at each joint. This takes skill, time, and effort to execute with such precision. For those who appreciate the authenticity of such craftsmanship, there are few chairs that compare at such a value.
