

BFFD 3620 SS

22 cu.ft (625 L) Total Gross Volume
NeoFrost™ Cooling

Fridge

- 13.28 cu-ft (376 L) net fresh food volume
- Frost Free
- Touch button display
- Chrome coated wine rack
- Illumination with white LED
- 3 safety glass shelves
- 4 door racks
- Energy Star® 2014 qualified

Freezer

- 5.44 cu-ft (154 L) net freezer volume
- Auto defrost
- Automatic ice machine with tap water connection
- 1 drawer, 1 basket

Hygiene

- hygAIR ionizing technology
- Hygiene+ antibacterial carbon filter
- Antibacterial seal

Technical Information

- Dimensions (HxWxD) (cm): 177.1x90.8x75.8
- Dimensions (HxWxD) (In): 69 3/4x35 3/4x29 7/8
- *Depth is with door handles. (Without handles depth: 31 15/16")

Color

BFFD 3620 SS: Fingerprint free stainless steel

FEATURES

NeoFrost™ Technology

Certain Beko fridge freezers are equipped with advanced NeoFrost™ Technology, which provides more homogenous, energy efficient and silent cooling. There is no air transfer between the freezer and fresh food compartments. This eliminates odor mixing.

Hygiene+

Present in some fridges is the photo catalyst filter, which eliminates bacteria potentially present in the refrigerator by working in conjunction with the air-cooling systems of the no frost or static models. This ensures permanently high levels of hygiene, protection from bacteria buildup and reduced fridge odor. The carbon filter can be reactivated easily with just one day's exposure to sunlight.

Fingerprint Free

Specially applied in-house coating on stainless steel prevents finger prints and allows easy surface cleaning of your appliance, preserving long lasting high quality look of the unit.

HygAIR Technology

The exceptional HygAIR Technology, available in select Beko refrigerators, brings the freshness of the pine forests to your kitchen. The technology eliminates airborne bacteria and odor-forming molecules by producing natural negative ions inside the cabinet. The ions capture microorganisms and remove them from the refrigerator via the defrost process. As a result, your food stays fresher for longer, and you can smell nature in your fridge.

White LED Lightning

The majority of models in the Beko range feature illumination with white LED for better aesthetics inside your fridge and less energy consumption.
