PRODUCT DESCRIPTION

A mid-century modern update to a retro classic, this ottoman is generously adaptable. Its combination of skillfully matched leather and faux leather upholstery exudes luxury and elegance. The cushion's dramatic tufting beckons you to kick back and relax. Merging comfort with high-style design, this piece is in a league of its own.

- Corner-blocked frame
- Firmly cushioned
- High-resiliency foam cushion wrapped in thick poly fiber
- Genuine leather covers the cushion top; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
