

Evelyn Accent Table Ashen Grey Matrix Marble

The Evelyn accent table is a harmonious contrast of materiality and tactility, where a weighty base meets a visually light marble top. With five connected sides equipped with softened, rounded edges, the base assumes an organic appearance, its natural color subtly softening the marble top for enduring visual appeal.

- Ashen grey marble top with MDF & solid oak wood base
- Variation in veining and activity of marble is to be expected; each will be unique
