

# Sonos Play Tech Specs

## Audio

### Amplifiers

Three Class-H digital amplifiers precision-tuned for the speaker's unique acoustic architecture power your sound experience.

### Tweeters

Two angled tweeters create a crisp and accurate high frequency response and stereo separation.

### Woofers

One midwoofer ensures the faithful playback of mid-range vocal frequencies and deep bass.

### Microphones

The far-field microphone array uses advanced beamforming and multichannel echo cancellation for quick and accurate voice control and Trueplay tuning. Disconnect by toggling off the mic switch.

### Adjustable EQ

Use the Sonos app to adjust bass, treble, and loudness.

### Automatic Trueplay™

This software continually optimizes the speaker's sound for its environment and the content playing.

## Details + Dimensions
