

BACKSPLASH

The telescoping backsplash design has the versatility to adjust to different mounting heights. The durable, stainless steel finish protects the wall behind the cooking surface and is easy to clean. The pre-drilled holes allow for effortless installation.

MODEL	Size / Color	Dimensions
BACKSP30	Stainless Steel Backsplash 30"	29 1/4" W x MIN 22 13/16" - MAX 38" H
