

# SCR1841B

34.25" x 17.75" x 23.5" (H x W x D)

18" wide glass door refrigerator for built-in or freestanding use, with digital controls, lock, and LED light

**Highlights:**

- Less than 18" wide for a perfect fit
- Flexible design allows built-in or freestanding use under counters
- Commercially listed to NSF-7 standards and meets UL-471

**Product Features:**

|                                                         |                                                                                    |
|---------------------------------------------------------|------------------------------------------------------------------------------------|
| Built-in capable                                        | Make the best use of space by installing your appliance under the counter          |
| Commercially approved                                   | ETL-S listed to ANSI-NSF Standard 7 for use in commercial establishments           |
| Fully finished black cabinet                            | Allows the unit to be used freestanding                                            |
| Stainless steel trimmed triple pane tempered glass door | Provides a full display of stored contents with a heat-safe double tempered design |
| Factory installed lock                                  | Keyed security on the door                                                         |
| Digital thermostat                                      | Electronic controls for precise temperature management.                            |
| Digital display                                         | Temperature readout can be shown in Celsius or Fahrenheit                          |
| LED lighting                                            | Gentle illumination with an on/off switch                                          |
| Automatic defrost                                       | Reduced maintenance with the convenience of auto defrost                           |

## SCR1841B Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Height of Cabinet          | 34.25" (87 cm)        |
| Width                      | 17.75" (45 cm)        |
| Depth                      | 23.5" (60 cm)         |
| Depth with Handle          | 25.25" (64 cm)        |
| Depth with door at 90°     | 39.75" (101 cm)       |
| Capacity                   | 2.7 cu.ft. (76 L)     |
| Defrost Type               | Automatic             |
| Door                       | Glass                 |
| Cabinet                    | Black                 |
| US Electrical Safety       | ETL                   |
| Canadian Electrical Safety | ETL-C                 |
| Sanitation                 | ETL-S                 |
| Energy Usage/Year          | 284.0kWh/year         |
| Amps                       | 1.25                  |
| Voltage/Frequency          | 115 V AC/60 Hz        |
| Weight                     | 95.0 lbs. (43 kg)     |
| Shipping Weight            | 98.0 lbs. (44 kg)     |
| Parts & Labor Warranty     | 1 Year                |
