Diana Cream Coffee Table
54" W x 30" D x 16" H • 19.59 CUFT • 91 lb.

Steal the show when you add this Diana coffee table to your modern living room. This handsome table has the bells and whistles you're seeking for a refined and elegant yet modern and contemporary look in your home. The striking cream linen textured fabric gives the table textural appeal while the solid wooden natural finished table top and legs lends it the hallmarks of art deco design for an elevated vibe that's well suited to both casual and more formal settings.
