KEY FEATURES

DIMENSIONAL SOUND

Dolby Atmos and DTS:X technologies produce object-based dimensional sound that places the viewer in the middle of the action.¹

SOUND FROM AROUND AND ABOVE

Sound surrounds you from 17 speakers, including four that fire upward and two that fire from the side.

REAR WIRELESS SPEAKER KIT INCLUDED

The HW-N950 includes two wireless rear speakers, which include upward firing drivers, to deliver the ultimate home cinema surround sound.

SWEET SPOT ANYWHERE YOU SIT

Hear consistently great sound anywhere in the room with tweeters that cover a wide frequency range.

MADE FOR EACH OTHER

Don't get stuck with anything less than the perfect fit. The HW-N950 integrates seamlessly with most Samsung TVs. Enjoy Plug-and-Play connectivity via wired or wireless connections, control both TV and soundbar with a single remote and fine-tune your sound right from the TV menu.

ALEXA-COMPATIBLE

Can't recall the title? Enjoy your soundbar hands-free using Alexa voice control. Ask Alexa to play something by simply saying the title or a few lines of the song's lyrics. No matter what kind of music you're in the mood for, Alexa will find it.²

SMARTTHINGS CONTROL

Connect to the SmartThings Hub³ and use the SmartThings app on your smartphone as a remote to control your soundbar and all of the smart devices in your home.⁴

A TRULY SEAMLESS 4K EXPERIENCE

With 4K Pass-through, a simple HDMI® connection delivers the best in audio and picture quality. Connect any 4K video source, like a game console, through the soundbar to your TV for rich sound and 4K picture quality.

BLUETOOTH MUSIC STREAMING

Your soundbar also acts as a powerful Bluetooth speaker. Easily play music from virtually any streaming service by connecting your smart device to the soundbar via Bluetooth.

¹Dolby Atmos and DTS:X source and content required.

²An Amazon Echo Device is required to use this feature. This service is provided by Amazon and can be terminated at any time. Some content may require subscription.

³Sold separately.

⁴This function may differ by mobile and OS (operating system). Download and installation of SmartThings app are required.
