

MOE'S

Excelsior Sofa Shiitake Beige

A beautiful introduction to boucle, the Excelsior sofa is an exquisite embodiment of serenity and sophistication. Designed to comfortably accommodate four, this generously proportioned sofa features a gracefully curved silhouette that epitomizes effortless elegance. This piece is pure comfort and style, evoking an experience of tranquility and relaxation, redefining the interior landscape with refinement and unparalleled softness.

- **Contemporary Form:** Streamlined profile and low seat height create a relaxed, design-forward presence that anchors both minimalist and layered living rooms.
- **Textural Upholstery:** Soft boucle fabric made from 95% polyester and 5% acrylic adds visual depth and cozy tactility for an inviting everyday seat.
- **Responsible Frame:** FSC®-certified pine and plywood come from responsibly managed forests, supporting sustainable practices without compromising strength.
- **Balanced Support:** S-spring and webbing foundation combine with plush foam cushioning to deliver comfort that lasts through daily use.
- **Certified Wood:** FSC® certification ensures materials meet environmental and social responsibility standards across the entire supply chain.
