Features:

- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- Seats and back spring rails are cut from mixed hardwood and engineered lumber
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of High-resiliency foam cushions wrapped in thick poly fiber
- Features attached back cushions along with reversible seat cushions with welt accents
- Chaise can be positioned on either side with the reversible Chaise Cushion and movable Ottoman
- The Transitional style Chaise features stylish roll arms
- Upholstered in a plush Polyester Chenille upholstery fabric with subtle herringbone weave effect
- Features low profile accent legs with faux wood finish
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
