MOE'S

Farrow Sofa Taupe

A sofa that knows how to set the mood. The Farrow Sofa pairs deep, fiber-filled cushions with a subtle slope at the arms and piped detailing for polish. Upholstered in taupe chenille with a soft hand, it sits low on an invisible base that keeps the look clean and grounded. Whether styled contemporary or traditional, Farrow adapts with timeless appeal and all-day comfort.

- Relaxed geometry: Sloped arms and piped cushions give structure without stiffness, making this sofa equally at home in contemporary or traditional settings.
- Taupe chenille fabric: 100% polyester chenille with a soft, tactile surface that catches the light and adds warmth to a neutral palette.
- Grounded build: A plywood frame with reinforced joinery delivers quiet strength you don't see but definitely feel every day.
- Depth for days: Foam and fiber cushions with generous depth invite lounging, long talks, and the occasional accidental nap.
