

Nordic 21 Chair and Footstool Recliner

Introduction

Classic and traditional, the Nordic recliner offers unsurpassed comfort through high-quality, authentic Norwegian design. Recognised for its sumptuously soft padding and smooth laminated wood base, available in a star or ring shape, the Nordic recliner brings an air of iconic Scandinavian design to your living area, where classic always remains in-style.

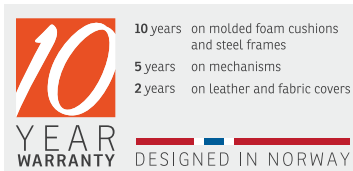

With a single backrest featuring a more streamlined shape, the Nordic 21 provides a sleek, sophisticated recliner. Intricate stitching in both the seat and backrest creates a more detailed design, adding character and style, while the thin, curved armrests and piped-seam outline adds a more refined shape.

Features

1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

2. Comfort-Precision Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

3. Freestanding Footstool

The matching footstool is ergonomically sloped to provide better leg support and aid blood circulation.

4. Laminated Wood Frame

Combined with a durable steel structure provides long-lasting quality.

5. Steel Interior Springs

Steel springs located throughout the back and seat provide optimum support whilst cradling the body.

6. Wood Base

A classic, sleek and stylish ring base/star base with multiple wood finish options.

7. Comfort-Glide System

Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.

8. 360 Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.
