Over-Ear Headphones

DENON®

## Ergonomically Perfect, Acoustically Transparent, Studio-Quality Sound.

Denon's Music Maniac™ Artisan Headphones are the reference standard for personal listening experience by providing an ergonomically perfect, acoustically transparent, studio-quality listening experience. Featuring Denon's 50mm Free Edge Nano Fiber driver to provide the performance of a box loudspeaker from a headphone, real African mahogany wood ear cups, and tuned to a flat EQ, these headphones deliver the best performance no matter what type of music you're listening to. Detachable cable connections on right and left ear cups allow you to choose from one of the two cables included, or to make your own custom cable if you prefer. Denon's patent-pending pentagonally-shaped memory foam ear pads and adjustable headband provide superior comfort, while our ball and socket ear cup design allows for 360-degree articulation for a perfect fit. An attractive, artistic desktop display stand is included for you to showcase these reference standard headphones on your desk or credenza. Further enhance your listening experience by downloading the Denon Audio app, available for Apple® iPhone®, Apple iPad™ and Android® devices.
