

YELLOWSTONE

42201

The refined Yellowstone collection was designed to offer a unique style and superior ergonomic comfort. Inspired by Scandinavian design, it features a slim, gently curved roll arm and box border cushion, with gentle pulls that create a bucket seat to cradle you in comfort. The bucket seat design offers ergonomic support, with multi-density foam at its core to provide years of seating enjoyment. Sophisticated topstitch details emphasize the collections focus on comfort. The Yellowstone collection is available in a variety of unique comfort functions for maximized convenience including a rocking function, swivel glider and wall hugger. A perfect blend of simplicity and polish, it is an elegant collection that exudes contemporary appeal. Available in two seat widths, the Yellowstone (19" seat width) and Yellowstone II (21" seat width) combine multiple densities of foam in the seat and back, to ensure an ergonomic seating experience.
