Suggested Bulb: A Standard Bulb

Socket Type: E26

Watts per Socket / Item: 40/40

A graphic homage to the bamboo plant, the Tsukiyo wall sconce features a frame of wrought iron in antique green and rust finishes. A composite shade is inset with a circle of Raj mirror on each of its panes that creates a full-moon mirage. This brown wall sconce that is lantern-like is a beautiful addition to the Hiroshi Koshitaka Collection. We also offer the Tsukiyo as a pendant.
