Product Description: Like a Hollywood starlet, this exquisite flower-shaped cocktail table shimmering in a silver finish with undertones of gold and champagne will add beauty and drama to your room. The lovely top is finished in Meringue, a reverse painted glass in a creamy white finish. On casters for easy moving.

Collection Features: Channeling jet setting socialites from the golden age of Hollywood as its muse, Hooker Furniture is set to launch a major expansion to its popular Sanctuary collection. The bedroom, dining room, occasional and home office pieces are grouped into three unique new personas, each of which embody the influences of the iconic starlets whom left impressions of glamour, charm and class on American pop culture. From bold and dramatic to soft and romantic to a statement-making eclectic lifestyle, the three personas – Collette, Anastasie and Diamant – effortlessly bring to life a well-traveled socialite who has curated a collection of home furnishings in her metropolitan home that tell the story of her travels across the globe. Offering a more metropolitan style, Diamant has an eclectic attitude. Anchored by a silver finish with rich undertones of gold and champagne, the group is complemented by a bold, black accent finish, mirrored details, champagne metal finishes and a fresh

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Important Use Information: We are not responsible for damage to carpets, rugs or other makes and models of flooring caused by caster use.
