HEADPHONES

 **FOCAL**[®]

For more than four decades, Focal has created speaker drivers and high-end loudspeakers that deliver a unique sound. Our brand values are innovation and performance; excellence and pleasure. We are globally renowned for our exclusive technologies. The result of this technological heritage is class-leading products offering a natural, authentic performance, imbued with clarity and power. Our handcrafted headphone collection combines this outstanding listening experience with exquisite, high-quality design, for an all-round luxury sensation.

OPEN-BACK HEADPHONES

Ultimate listening experiences at home

Utopia and Clear Mg are high-fidelity headphones with an open-back design, offering exceptional audio reproduction thanks to their latest generation speaker drivers with no restrictions: completely free, the sound is pure and sensational. Their carefully selected finishes, meticulous detailing and fine materials augment the elegance of Utopia and Clear Mg, enhancing your listening pleasure.

CLOSED-BACK HEADPHONES

The best sound, everywhere you go

Focal's engineers have used cutting-edge techniques to bring the best aspects of open-back headphone performance to closed-back design. Stella and Celestee both incorporate speaker drivers capable of working within a limited space, while offering perfect soundproofing and exceptional listening quality. These headphones, for use in the home or on the move, perfectly illustrate the brand's refusal to compromise, finished with a touch of French sophistication.

01. UTOPIA

Sonic purity at its finest

Utopia are Focal's flagship headphones, combining exquisite engineering and craftsmanship. Thanks to their innovative, exclusive pure Beryllium speaker drivers, the listening experience is stunningly realistic, dynamic and transparent. The headphones sensation disappears completely, for unrivalled sound purity. The true lambskin leather used on the earpads, as well as the woven carbon fibre of the headband, lend an elegant touch to the high-performing, highly comfortable Utopia.

STELLIA

Pure sound everywhere

Each Stellia component is developed in the pursuit of excellence and refinement, down to the full-grain leather of the headband, the beautifully styled earcups and the ultra-comfortable earpads. The full-range driver, with its 'M'-shaped pure Beryllium dome, combines an array of Focal innovations - together they deliver an incredible listening experience. Stellia pushes the acoustic boundaries of the very best closed-back headphones and stands out as the reference model in its class.

CLEAR MG

Experience excellence

Thanks to their Magnesium drivers, fully open at the back, Clear Mg headphones reveal the smallest details of your music with precision and finesse. You'll even forget you're wearing them... The solid aluminium yoke offers pure, seamless design. The exterior of the earcups features a honeycomb pattern for yet more sophisticated elegance, enhanced further by the Chestnut and Mixed-Metals finish, as well as the genuine leather and microfibre earpads.

CELESTEE

Reveal the intensity of every moment

Enjoy a listening experience without a noisy environment disturbing your pleasure or worrying about annoying the person next to you: this is the promise made and kept by Celestee. Thanks to its drivers, Celestee delivers audio quality without compromise, with outstanding soundproofing and comfort. Precision and balance define the sound reproduction, while elegance embodies the design. Lastly, the Navy Blue finish and carefully selected materials further refine these headphones.

ACCESSORIES

Headphones

Specifically designed for Focal headphones, this stainless steel stand is also available as part of our collection. Its stylish shape, reminiscent of the Focal flame logo, provides a simple, aesthetic storage solution for your headphones, while the sleek design is finished with laser engraving. Thanks to its Setapan® base, it is heavy and rigid, ensuring perfect stability.

HEADPHONE STAND

UTOPIA

'The Focal Utopia turn listening to music into a full-on experience'

GQ

'I consider this headphone a masterpiece'

HIFI +

'With Focal, engineering and craftsmanship always serves the art. Beautiful to behold, yes. But remarkable to listen to'

TONE

CLEAR MG

'Everything about the Focal Clear Mg is close to perfect'

FORBES

'The Clear Mg blend classic and modern aesthetics...'

THE LUXE REVIEW

STELLIA

'You will probably hear details you've never noticed before'

TECHRADAR

'Simply the best closed-back headphones we've heard'

WHAT HI-FI

CELESTEE

'It really was love at first sight - and at first listen'

MOON AUDIO

'Easily the most subtly stunning-looking Focal headphone'

AUDIOHOLICS

'These closed-back headphones ooze sophistication and have sound quality to match with electrifying detail and timing'

BBC MUSIC

RADIANCE

'Focal has made a pair of headphones that sound as good as they look'

FORBES

'The French manufacturer Focal is no stranger to producing high-quality headphones, but I think the Radiance deserves its unique spot in their catalog'

MAJOR HIFI

'Focal has managed to create what I honestly believe is the price-to-performance champion in the high-end closed-back headphone category'

HEADFONIA

UNITI

« Naim's new Uniti Atom Headphone Edition is just perfect for private listening »

FORBES

« Luxury-tier quality in hardware, design and sound, built to keep pace with the best headphones made today »

AUDIOHOLICS

« You really get the Naim sound, now delivered straight to your ears »
