Product Description: From the soothing light birch brown tones to the attractive transitional design, this sleigh-style bed is an ideal addition to your child's room. High-performance laminate protects the wraparound frame, keeping the bed safe from scuffs, scrapes, fading, and cracking through pillow fights and lazy sleep-in mornings. With the addition of an existing box spring and mattress, this well-built bed frame becomes a sleeping sanctuary so inviting, your child might just stop trying to extend their bedtime. Pair with the matching trundle accessory, sold separately, to add additional storage or sleeping space.

Collection Features: From the soothing light birch brown tones to the attractive transitional design combined with the high performance laminate surface, River Creek provides a kid-friendly, safe, durable and stylish bedroom.

Status: Active

Finish: Light birch finish

Features: Includes headboard, footboard and rails

Material: Performance Laminate

Finish Construction: River Creek has the look and feel of wood, executed in a durable resin laminate. High performance laminate surfaces resist cracking up to 158 F, staining, scratching, abrasion, burns, moisture, impact, and fading.

Frame Construction: Samuel Lawrence Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
