Claudia Bed Queen Natural

Coastal, but make it modern. Claudia brings a rounded, generous headboard that feels like a soft backdrop for books, pillows, and slow mornings. Natural rattan is woven by hand over a mango wood frame, giving the bed warm texture with a clean, furniture-forward outline. The weave keeps the look light, while the solid structure keeps it steady. It's breezy, grounded, and ready to anchor your bedroom in a way that never overstates the vibe either.

- Modern Coastal Ease: Clean lines meet woven warmth for a relaxed, design-forward look that brightens the room and keeps the vibe feeling current.
- Natural Material Mix: Natural rattan is woven over a mango wood frame, pairing organic texture up front with sturdy wood construction underneath.
- Handwoven Detail: Each woven panel highlights artisanal technique and careful patterning, creating a consistent finish that looks intentional from every angle.
- Mattress-Ready Design: Includes a slat system that prevents sinking or shifting, eliminating the need for a box spring and working with adjustable base frames.
