

## Citrine Framed Painting

**COLORS:** Multicolor

### OVERVIEW

The Citrine framed painting is a sublime homage to classic still life that captivates with its citrus medley. Vivid oranges are set against harmonious, warm neutrals. This print on paper, shielded by tempered glass with a matt border, offers a striking yet balanced focal point, infusing spaces with understated opulence.

- Print on paper
- Tempered glass with MDF backing
- Solid pine frame with cool, dark brown finish
- Hanging hardware included
