

RONJA

SOFA | SM6431-SF

DETAILS:

This salon-inspired sofa from the Ronja Collection will add sophistication to your living room. This sofa is one-of-a-kind, with a curvy design, button tufting, and dapper damask fabric on the reversible box cushions. Each plush cushion is encased in black welting, and the rolled arms feature wooden accents, creating an antique refinement perfect for the focal point of your living room.
