Product Description: With gravitas and organic elegance, the modern Ground Perspective Credenza is crafted of Paldao and Oak Veneers with a natural distressed dark wood finish on the base contrasting with a light natural wood finish on the door fronts. A starburst pattern on the door fronts adds flair. The three doors have soft-close hinges and magnetic door catches, and there's one adjustable shelf behind each door and one fixed shelf. Media-friendly, the credenza has a 3-plug outlet behind the center door and a ventilated back panel.

Collection Features: Come closer to Melange, and you will discover something unexpected, an eclectic blending of colors, textures and materials in a vibrant collection of one-of-a-kind artistic pieces.

Status: Active

Finish: Natural distressed dark wood finish on base with light natural wood finish on door fronts. Interior is painted light gray.

Starburst veneer pattern on door fronts
One adjustable shelf behind each door
One fixed shelf

Ventilated back panel
Power supply behind center door
Levelers

Material: Paldao and Oak Veneers

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
