Product Description: The Lenox 5-drawer Sliding Door Chest is designed for functionality and aesthetic appeal, offering clean lines and classic elements. On the right, a sliding door adorned with a geometrical decorative overlay allows easy access to three adjustable shelves. On the left side of the chest, five vertically aligned drawers offer storage for small clothing items, accessories, and other bedroom essentials. The pewter-finished hardware and smoked pearl finish on elm veneers exude a quiet glamour, making it suitable for various design schemes. This chest showcases a thoughtful design that offers versatile storage options and enhances the visual appeal of any bedroom.

Collection Features: Lenox is a bedroom collection that combines classic craftsmanship with modern aesthetics, resulting in a functional and visually appealing set of furniture. The linear silhouettes are accentuated by decorative geometric overlays, step-down face frame and flat bead molding, and streamline hardware in a pewter finish. The Smoked Pearl finish on Elm veneers lends warmth and durability, complementing the overall aesthetic.

Status: Active

Finish: The Smoked Pearl finish evokes a sense of mystery, offering an understated and distinctive look

Features: A sleek, sophisticated style that blends modern design with transitional elements

Three adjustable shelves behind a sliding door with a geometrical overlay design and five spacious drawers provide storage for all your bedroom essentials

Clean lines and picture frame molding create a sense of depth and dimension

Streamlined hardware in a pewter finish and tapered feet complement the overall design

Material: Elm Veneer

Drawer Construction: French and English Dovetail Drawer Construction

Frame Construction: Samuel Lawrence Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and

cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
