

RF70F29DER

SAMSUNG

29 cu. ft. Bespoke 4-Door French Door Refrigerator with Beverage Center™ in Stainless Steel

Signature Features

Customizable Door Colors

With customizable door panels, choose from 5 colors and 2 finishes to create a space that fits your style.

Beverage Center™

Enjoy plenty of refreshingly cold and flavored water. The Beverage Center™ is inside the fridge, so it is less likely to get contaminated. As well as a water dispenser, it has a dishwasher-safe¹ and BPA-free² AutoFill Water Pitcher for purified water, which can be infused with fruits and herbs.

¹Tested for 125 cycles in accordance with the "Mechanical dishwashing resistance of utensils" test method (BS EN 12875-1:2005) and certified as dishwasher safe by SGS.

²Bisphenol A (BPA) is a chemical found in polycarbonate plastics and epoxy resins, which are often used in food and beverage containers, and has been linked with possible adverse health effects.

FlexZone™ Drawer

Customize your middle drawer with 5 different temperature settings.

SmartThings AI Energy Mode

SmartThings Energy applets you monitor and manage your refrigerator's power usage. Reduce your energy use by up to 10%¹ with AI Energy Mode,² all from your phone.

¹Comparing factory setting temperature without AI Energy Mode and with AI Energy Mode, which optimizes the compressor speed and defrost cycle based on usage pattern and conditions. Results may vary depending on the usage pattern and conditions.

²Available on compatible models from June 2023 through a Wi-Fi update through the SmartThings app on Android and iOS devices. A Wi-Fi connection and a Samsung account are required.

SAMSUNG

29 cu. ft. Bespoke 4-Door French Door Refrigerator with Beverage Center™ in Stainless Steel

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 3.75" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimensions and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at [samsung.com](https://www.samsung.com).

Dimensions

Total Capacity: 28.9 cu. ft.

Refrigerator: 16.8 cu. ft.

- 1 Slide-In Shelf, 3 Tempered Glass Spill-Proof Shelves
