

CATARINA

LOVESEAT | SM2287-LV

DETAILS:

With a larger weave and underlying metallic fiber, the shabby chic chenille fabric is an irresistible addition to this transitional piece that provides comfort above all. Every element--from the padded single cushion seat and back to the lowered armrests--emphasizes the carefree and relaxed lifestyle. Oversized pillows filled with hypo-allergenic synthetic down, combined with the extra bolster pillows in different colors, add to the bohemian appeal of this astounding piece of furniture.
