The Evie Rosada Chaise is made of mahogany in a dark walnut finish. The wood-framed side and back panels of the roomy chaise are covered in ivory faux shagreen. This ivory chaise with its gold ferrules was inspired by vintage shagreen furniture from the 1920s. It has loose seat and back cushions and includes a lumbar pillow. The fabric is neutral beige with pops of brown and blush. We have a number of offerings in this family of furnishings—from a chest and entry table to a decorative mirror and a credenza.
