**NOTES**

Storage console with two beverage holders houses remotes, magazines and more  
 Pillow backs offer a mix of softness and support that's ideal for sore backs  
 Curved arms with tailored arm overlay take pressure off your forearms  
 Elevated look with bold, puckered stitching and thick welt edge  
 Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability  
 Power control independently adjusts the headrest and recline for a personalized sit  
 Home button returns the headrest and footrest to their original positions with one touch  
 USB port built into power control for convenient charging  
 High-density foam cushions with high-resiliency polyurethane foam core and a soft fiber wrap ensure comfort that lasts  
 Attached seat and back cushions stay neatly in place and ensure a lasting, comfortable sit  
 Two color options of durable, cleanable 100% polyester fabrics to suit your décor  
 Removable backs allow for easy lifting and maneuvering through doorways  
 The power control allows you to independently adjust the recline and headrest.  
 A separate home button returns the headrest and footrest to their original positions with one touch.  
 A USB port is included on the power control for powering electronics.  
 Zero draw technology only uses power when the USB port is in use.  
 Power allows you to smoothly recline to any position.  
 A single USB port is included on each power button control on styles with arms.
