

FABRICS

THEODORE ALEXANDER

Swatches shown are representative of current stock available and of a particular dye lot. Colour and texture of fabrics may change slightly based on mill production. Since most fabric mills do not guarantee their materials for durability, colour fastness and fading, dye lot variations, or adverse reaction to environmental conditions, we are unable to honour claims, adjustments or details in these areas over which we have no control.

Fabric options vary by piece. Some fabric options are manufactured to order. Please contact your Theodore Alexander representative or Dealer for details.
