Product Description: Cozy chic meets sleek sophistication with the Modern Mood Upholstered Arm Chair. The tactile and textural Boucle fabric in Inverness Natural contrasts with a brushed metal base in a warm pewter finish. Fully upholstered seat, back and arms.

Collection Features: Unbound by geographical design, Modern Mood presents itself as an evolution of design choices, spanning a variety of decades and design movements, while maintaining an unmistakably modern aesthetic that transcends time. The 90-piece collection includes bedroom, dining room, home office, accent and occasional items characterized by substantive forms with soft architectural details. Elevated materials and brushed metal accents in a warm pewter finish are evident throughout the collection, including metal banding and edging as well as leather. The collection is presented in two finishes: Mink and Diamond. The Mink finish is a warm, rich note of black, Mink delivers a timeless aesthetic. A much lighter presentation is

achieved with the crystal-like alabaster and pewter hues of the Diamond finish, delivering a soft sophistication.

Status: Active

Finish: Brushed metal in warm pewter finish.

Features: Fully upholstered seat, back and arms
Metal base
Boucle fabric

Material: Fabric and Iron

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Fabric 1: Inverness Natural; Fabric Contents: 83% Polyester, 17% Acrylic; Fabric Cleaning Code: W (Clean with water-based cleaning agent)
