

## **Warranty Key Notes**

- The customer is responsible for any warranty shipping of the old/defective part that the MFG requests.
- Warranty processes can take up to 2+ weeks sometimes depending on the manufacturer and availability of the parts.
- Parts Warranties do not include any labor or reimbursement for labor.
- Warranty starts the date of shipment.
- Warranty time stated should be for most parts, however Manufacturers will have certain items that won't be covered under the normal warranty.
- Warranties are subject to change per all Manufacturer's.
