Michael Stationary Chair

CH712

Availability: In Stock

DESCRIPTION

Every room is a canvas upon which design can be written. Our Michael stationary chair will bring comfort and artfulness to interiors that range from traditional and transitional to mid-century modern and contemporary without bringing too strong a stylistic stance to the composition. Choose from five different colors of slipcovers in linen to add

the perfect stroke of genius to your rooms. Your home is your masterpiece, after all! We also offer the Michael in a swivel chair.
