THE LODGE & LOFT COLLECTION

Classic Craftsmanship for Modern Living.

Introducing the **Lodge & Loft** bedroom collection from Vaughan-Bassett Furniture, a masterful blend of rustic lumber and modern lines, with every piece proudly made in the USA by American craftsmen and craftswomen. Each piece of **Lodge & Loft** features a blend of solid American Oak lumber and oak veneers. By using the finest American hardwoods, we are able to showcase the knots and bold grain patterns that is unique to white oak lumber, and which gives this bedroom collection an authentic, durable and stylish feel. Our drawer guide system features dual undermounted ball-bearing drawer guides, super-smooth acrylic-finished drawer sides and bottoms, French dovetail joinery and a closing mechanism

that pulls each drawer tight to the case.

Lodge & Loft offers a choice of three distinct finishes -- Blond Oak, Dark Oak and Soft White Oak -- and three fantastic beds: the Floating Panel Bed, the Radius Poster Bed, and the Wood Trim Upholstered Bed, which is available with either a Sedona Brown vegan leather or Ivory Cream fabric insert on both the headboard and footboard. Finally, we feature custom hardware with every storage piece, **Lodge & Loft** -- a unique combination of American craftsmanship, the finest American hardwood lumber and clean modern lines that perfectly fit today's lifestyle.

Lodge & Loft is a premium bedroom collection by Vaughan-Bassett, proudly made in the USA using solid oak and oak veneers. Designed to combine architectural integrity with effortless comfort, **Lodge & Loft** brings a modern perspective to quiet sophistication and the way we live today.

The collection is offered in three refined finishes—Dark Oak, Blond Oak, and Soft White. Each finish highlights the natural character of the wood, revealing its expressive grain, inherent warmth, and enduring strength.

Three distinct bed silhouettes define the collection, each with a unique point of view. The wood-trimmed upholstered bed offers a tailored, contemporary appeal. The floating panel bed showcases a minimalist, geometric design. The radiused poster bed—with its substantial 4-inch posts and softened corners—merges architectural presence with relaxed charm.

Each bed can be paired with a coordinating upholstered bench and an optional storage footboard, adding versatility and comfort. **Lodge & Loft** is a study in refined comfort—a timeless escape designed to promote rest, embrace stillness, and elevate everyday living.
