The sturdy yet beautiful 2-drawer lateral file cabinet from the Via collection is a practical and secure storage solution for any home or commercial office. Finished in soothing and natural tones of Harvest Walnut™ with a sophisticated Diva White™ accent, the assembly of this cabinet is quick and easy thanks to the T-lock drawer system. This lateral file cabinet offers the convenience and efficiency of drawers equipped with full extension slides, which provide ample space to hold letter, legal, or European-size hanging files. To prevent tipping, the interlocking safety mechanism allows only one drawer to be open at a time. The adjustable levelers ensure stability on various floor surfaces, and the drawers of this horizontal file cabinet can be locked, providing secure storage for sensitive information. The melamine top surface of this 2-drawer file cabinet is heat, stain, and scratch-resistant, ensuring long-lasting durability. Featuring a cord management system with a desktop grommet hole, this legal-size file cabinet offers added functionality and flexibility in any office environment.
