Highland House Uph

2011-71 - Elsa Armless Banquette

A banquette is a signature in a BBID interior, so it was only fitting to add one to our collection for Highland House. Drawing inspiration from mid-century pieces, the Elsa Banquette was designed with low proportions so it can be styled against a window without blocking light, and with set-back arms so it's easy to maneuver in and out. BBID

loves this piece in many settings but in particular the kitchen to soften the hard surfaces.
