Return desk

Be sure to check all packing material carefully for small parts, which may have come loose inside the carton during shipment.

Step 1: Place the Desk Top (E) upside down on a soft non-abrasive surface.

Note: The Drawer is designed as a pull-through drawer and can be opened from either direction. The Return Desk can be assembled and set up so it can be used on either the Left or Right end of the Main Desk.

Step 2: Attach the Right Pedestal (G) to the underneath of the Desk Top (E) with the 5/16" x 1-3/8" long Bolts (A), Spring Washers (B) and Flat Washers (C). Tighten all Bolts using the Allen Wrench (D).

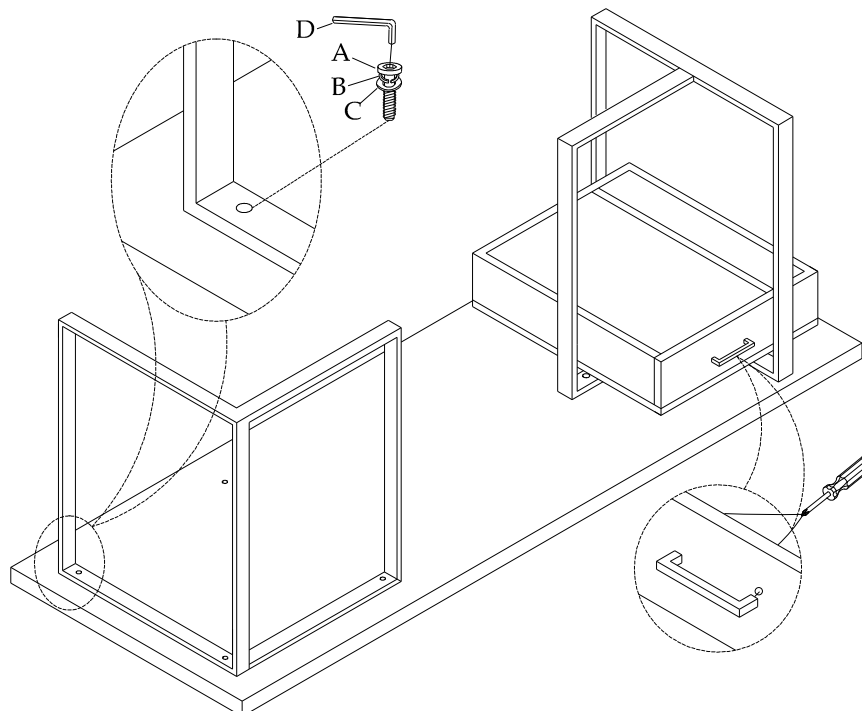

Step 3: Attach the Left Pedestal (F) to the underneath of the Desk Top (E) with the 5/16" x 1-3/8" long Bolts (A), Spring Washers (B) and Flat Washers (C). Tighten all Bolts using the Allen Wrench (D).

Step 4: Carefully set the desk upright.

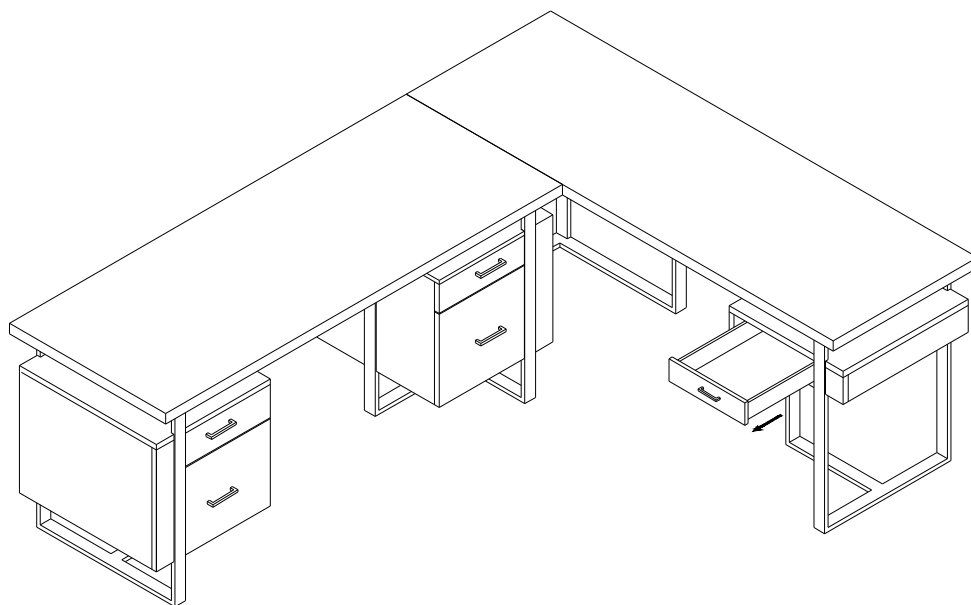

The Drawer Pulls have been mounted inside the drawers for shipping. Open the drawers of the Console Table by pulling the string on the drawer front. Using your Screwdriver, remove and remount all hardware to the outside of the drawers.

Note:
Assembling the Left Pedestal as shown will allow the Return Desk to be used on the right end of the Main Desk.

Rotating the Left Pedestal 90 degrees and mounting will allow the Return Desk to be used on the left end of the Main Desk.

The Return Desk may be placed and used on the Right side of the 2-Pedestal Main Desk as shown below.

The Return Desk may be placed and used on the Left side of the 2-Pedestal Main Desk as shown below.
