What is the?

Edge Series

Budget considerations shouldn't mean inferior quality.

Many bids don't have enough funding for cutting edge video gear, and some installations don't need all of the bells & whistles.

Our Edge gear represents the best way to hit budget goals and still get features & dependability.

Capabilities

- High Quality HD 1080P
- 2MP & 4MP Cameras
- PoE or Local 12VDC
- Varifocal Lens
- IR Night Vision
- Built-in Audio Options
- Wide Angle Fixed Lens
- TAA Compliant Models
- Outdoor Weather Rated
- Vandal Resistant

Edge gear is engineered to meet that challenge with IC Realtime video quality at an excellent price point.
