

Cates Ottoman Pebble

Smart design. Easy comfort. The Cates Ottoman delivers the same sink-in support as the rest of the collection, now in a versatile, frameless silhouette that works as a footrest, seat, or modular extension. Made from dense foam, memory foam, and fiber fill—no frame, no tools—it ships vacuum-sealed in a compact box and expands fully in 24 hours. Lightweight, durable, and endlessly adaptable, it's a soft landing wherever you need one.

- **Modular Versatility:** Use it as a footrest, extra seat, or build it into your sectional—this ottoman flexes with your space.
- **Textured Durability:** Upholstered in pebble-toned 100% polyester with soft texture and a 50,000 rub count for long-term comfort.
- **Foam-Only Build:** No frame needed—crafted entirely from high-density foam, shredded memory foam, and fiber fill for supportive, sink-in comfort.
- **Space-Saving Setup:** Arrives vacuum-packed in a compact box—no tools or hardware required, just unbox and let it expand.
- **Vacuum-Sealed, Small Parcel:** Ships compressed in compact boxes to simplify delivery and fit through tight spaces—ideal for apartments, walk-ups, and smaller-scale living.
