Noelle Queen Storage Bed Light Brown

A skirted base with a reveal underneath. An upholstered arched headboard gives the Noelle queen storage bed a transitional silhouette, while the removable gathered skirt reveals a fully upholstered base underneath. Light brown linen-look polyester fabric adds warm, traditional appeal, with foam fill for a cushioned headboard. A hydraulic lift platform opens to hidden storage below, supported by a solid wood, plywood, and MDF frame.

- Arched Headboard: An upholstered arched headboard gives the Noelle bed a classic transitional shape with a soft, gathered base detail, with a clear design point of view.
- Light Brown Linen Look: Polyester fabric in a warm light brown linen look brings traditional appeal across the upholstered frame, so the design feels considered from every angle.
- Removable Skirt: A removable gathered skirt gives the base two looks, revealing a fully upholstered base when removed, while keeping the design useful day to day.
- Hidden Lift Storage: A hydraulic lift platform opens to hidden storage below, supported by a solid wood, plywood, and MDF frame, letting the material carry the visual story.
