Tyne Medium Vase

1200-0858

In Stock

Overall: 18"h x 8"w x 7.75"d

Finish: Pale Blue / Gold

Materials: Glass

Item Weight: 14 lbs.

The Tyne Medium Vase is made of mouth-blown glass that has remarkable depth to it because the surface is swimming with blue bubbles, flecks of black and swirls of gold metallic. These details enliven each vase with a textural complexity and enhance its gleam. The thickness of the glass from which this blue vase is made speaks to the high quality of the decorative accessory.
