savant
NOW YOU CAN

Description

The Savant Desktop Charging Dock (DCD-200B/ DCD-200W) is used to conveniently dock and charge your iPod touch® or iPhone®.

In addition, these charging docks transform the Apple® iPod touch® into a cost-effective removable wireless touch panel providing a new user interface option (requires Savant TrueControl™ II app, not included).
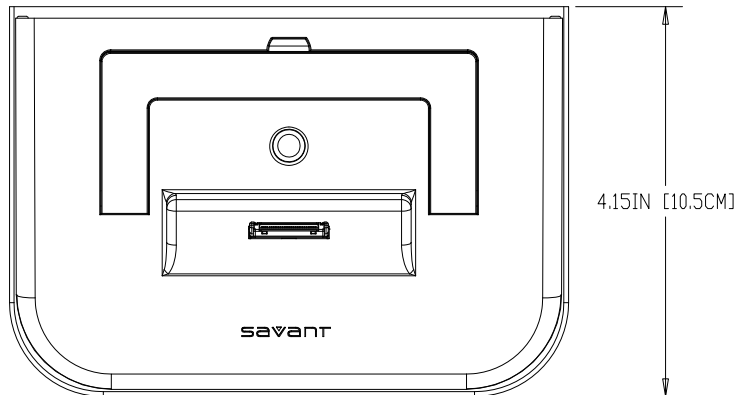

Feature Summary

- Universal docking cradle and charger (Apple iOS devices not included)

- Desktop charging dock available in white or black

- Easy to install and effortlessly placed in strategic locations
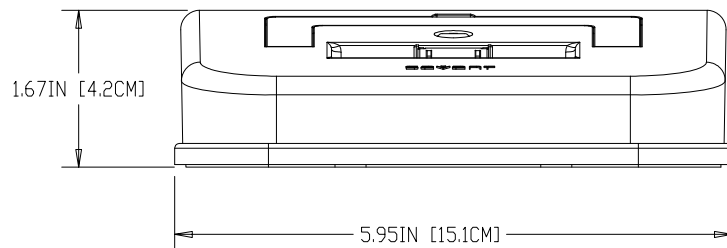

- Power, 5 V DC power supply

Front View of DCD-200B (iPod® not included)
