

IR36551/S/P

FEATURES

- Wolf induction technology offers consistent, precise temperature control and nearly instantaneous temperature adjustment response
- Every induction zone features Boost Mode for quick boils. The new 5500-watt zone supercharges Boost Mode to heat liquid in even the largest pots with incredible speed
- Sturdy knobs mimic the experience of cooking with gas, offering precision across the temperature range. Flick past the highest setting to quickly engage Boost Mode
- Slick ceramic glass surface resists scratching, staining, and impact; because the cooktop stays relatively cool, spills wipe off easily
- The Bridge function joins two induction zones into one large area, enabling use of an induction-capable griddle, open roaster, or fish poacher
- Wolf's Dual VertiFlow™ convection system provides reliably even heat, reduces hot and cold spots, and enables consistent multi-rack cooking
- Take the guesswork out of cooking with 10 chef-created cooking modes, including Bake, Broil, Convection, Convection Roast, Dehydrate, Gourmet, Proof, Roast, Stone, and Warm
- Gourmet Mode features nearly 50 presets that automatically control the oven to ensure delicious results
- Control your range from wherever you are using our convenient Owners' App—remotely preheat, adjust temperatures, select modes, and more
- Stainless-steel construction, heavy-duty handles, and Wolf's iconic knobs make a striking statement and coordinate elegantly with similarly styled Sub-Zero, Wolf, and Cove appliances
