- 1.77" (128x160) colorful TFT/QVGA display
- Dynamic Normalizer
- Alarm and timer function
- Playlists compatible
- Earbud style Headphones and USB cable included

Features

Take your music with you

The compact design of the Sony® NWZ-E390 series Walkman® MP3 Player allows you to enjoy your favorite audio files, look at personal photos or simply listen to the built in FM radio.

Easy Content Transfer

Easily transfer your favorite music, playlists, and photos to your Walkman®. You can drag and drop the data from iTunes® for Windows® and Windows Media Player.

Rechargeable battery built-in

The built-in lithium ion battery provides up to 35 hours of audio playback per charge.¹

Small in size, BIG in file capacity

The restyled NWZ-E390 series Walkman® has an ergonomic shape with a textured graphics wrap. Streamlined for portability, the NWZ-E390 series can store hours of music and personal photos thanks to the internal (4/8/16) GB memory².

Lightning-fast LCD display

The 1.77" (128x160) color LCD provides convenient viewing of photos and album artwork. Select viewing images in portrait or landscape mode.

Dynamic Normalizer

Dynamic Normalizer balances the volume level between songs. With this setting, when listening to album songs in the shuffle play mode, the volume level between songs is moderated to minimize the difference in their recording levels.

Keep track of time

The NWZ-E390 Walkman® player has a built in clock function with alarm and sleep timer functions.

Playlist Compatible

The NWZ-E390 series is playlist compatible so you can create playlists from your PC and select between each in the music playback menu.

Open, charge and listen

Everything you need is in the box including USB cable and earbud style headphones.
