AD
MODERN

SYNERGY collection was inspired by the materials themselves making it eclectic and flexible. This new group continues the look of AD Modern but features Character grade Ambrosia Maple as the unexpected focus. This wood is admired throughout artisan industries from custom guitar makers to architectural design firms for its unique markings.

This character is the result of this North American tree's defensive response to the Ambrosia beetle. It is what it is because of what it has been through. Similarly, the

cold-rolled steel finish used throughout the collection has its own story of character and strength through pressure. The process uses colder temperatures to

create a smoother, raw steel finish. It is then hand-worked into precise shapes. Select American Black Walnut and Highly Figured American Black Walnut add a contrasted hue to the gray dyed Ambrosia Maple while

Knotty Oak adds an element of texture. While these selections are beautiful on their own, it is when they are combined that we are left with a greater Synergy.

AD MODERN

SYNERGY

Ambrosia Maple Veneer

Knotty Oak Veneer

Walnut Veneer

700 AD MODERN SYNERGY AMBROSIA MAPLE VENEERS, WALNUT VENEERS KNOTTY OAK VENEERS, AND SELECT HARDWOODS

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

Care & Cleaning

Care of fine finishes: American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, windows, or in direct sunlight.
