MOE'S

Abel Cast Aluminum Catchall

A wide brass dish that catches keys, coins, and the eye. A clean, minimal form gives the Abel catchall a resolved quality, its generous raised rim framing the interior with an architectural, intentional feel. Cast aluminum carries an aged brass finish rich with natural patination, giving the surface an authentic, lived-in character with natural variation across the patina. Functional and decorative in equal parts. A landing spot with quiet presence.

- Clean, Resolved Form: A wide circular dish in a clean, minimal form gives the catchall a resolved quality that feels functional and decorative at once.
- Aged Brass Finish: Cast aluminum carries an aged brass finish rich with natural patination, giving the surface an authentic, lived-in character with genuine variation throughout.
- Generous Raised Rim: A wide, substantial rim frames the interior of the dish in an architectural, intentional way, giving the piece a solid, considered feel.
- Catches the Everyday: The wide dish gathers keys, coins, and small everyday items in one spot, working on an entry table, desk, or dresser.
