

### 3 Drawer Unit Assembly Instructions

Contents:

- (A) 1 drawer unit (74" or 79" long)
- (B) 2 mounting blocks & screws
- (C) 2 lock blocks & screws

Tools required:

- #2 Robertson or Phillips screwdriver

Please read all instructions before beginning

1. Attach mounting blocks (B) to both end panels of drawer unit (A), (if necessary).
2. Assemble bed loosely (or loosen bolts if bed is already assembled).
3. Prior to installing slats, position the drawer unit on the drawer unit support rail shown in the pictures & on the matching rail on the footboard.
4. Tighten the bed bolts.
5. Screw lock block (C) to the footboard.
6. Captains bed only: Screw lock block (C) to the headboard.
7. Captains bookcase bed only: Screw the mounting block (B) to the headboard drawer unit support rail.
