IMPORTANT SAFETY INFORMATION

LISTEN AT LOW VOLUME: This product complies with CENELEC standard EN60065/A12 for protection against excessive sound pressure.

Warning! Listening to sound at excessive volumes (120dB or more) or sudden exposure to loud noises can cause permanent hearing damage. Set the volume of your device to minimum before listening and adjust to an appropriate volume gradually.

PAY ATTENTION TO YOUR SURROUNDINGS: Please remember that in some circumstances, such as while driving, cycling, walking or jogging, being unable to hear your surroundings can be dangerous.

KEEP AWAY FROM CHILDREN: This product should always be kept out of reach of children because it contains sharp edges, small parts and cords that may cause cuts, choking or strangulation with potentially serious or even fatal consequences.

NOT FOR MODIFICATION: Do not attempt to modify this product, as this may result in personal injury and/or product failure. Modified product will not be covered by warranty.

CAUTION: Do not drop, sit on, or allow the product to be immersed in water, otherwise sound deterioration or failure may result.

WARRANTY INFORMATION

(A) IMPORTANT

1. Warranty may vary according to the local legal requirements of the country concerned. Contact your local authorised KEF distributor ("**Authorised Distributor/s**") for details of specific warranty terms and relevant service procedures. For the list of authorised KEF distributors worldwide, please visit www.kef.com
2. This warranty is in addition to, and in no way detracts from, your statutory rights as a consumer under any applicable laws governing this warranty.
3. If any provision of this warranty is unlawful, void or unenforceable under the applicable laws governing this warranty, that provision shall be deemed severable and shall not affect the validity of any of the remaining provisions.

(B) WARNING

4. Purchase KEF products (including passive loudspeakers, active loudspeakers, powered subwoofers, motorised speakers, electronics and headphones ["**KEF products**"]) only from dealers ("**Authorised Dealer/s**") and distributors authorised by KEF in their respective jurisdiction to sell genuine KEF products. Do not entrust repair work to unauthorised persons. The components necessary to maintain the original performance of the KEF products are available only through Authorised Distributors. Warranty is provided only to KEF products purchased from an Authorised Dealer and accompanied by proof of purchase. No warranty is provided to any product and/or any components not purchased from an Authorised Dealer/Distributor. Keep and produce the receipt or proof of purchase in the event that service of your product is required. Information such as the date of the original purchase, the name and model number of the product, and the details of the Authorised Dealer must be clearly stated on the relevant receipt or proof of purchase.
5. The terms and conditions of this warranty may be revised from time to time by KEF and you agree to be bound by the latest terms. Any updates to this warranty will be posted on the official website for KEF products, www.kef.com.

(C) WARRANTY PERIOD

6. All KEF Products are precision engineered and the Authorised Distributors provide warranty against FAULTY MATERIAL AND/OR WORKMANSHIP for the following products from the date of original purchase, as follows:
   - Passive loudspeakers: FIVE years
   - Active loudspeakers, powered subwoofers and motorised speakers: ONE year, or TWO years if purchased in the European Union
   - Electronics and headphones: ONE year, or TWO years if purchased in the European Union

   This warranty will not be extended or renewed at the expiry of the above period.

(D) WARRANTY COVERAGE AND LIMITATIONS

7. This warranty is only valid in the country of purchase and only applies to the first purchaser of the KEF product(s) from an Authorised Dealer. This warranty does not extend to any other person or transferee, and terminates if you sell or otherwise transfer the KEF product(s) to another party/entity.
8. This warranty does **not** cover any of the following:
   (a) normal or fair wear and tear and/or any wear from environmental deterioration of the KEF product and/or its components
   (b) mechanical damage or derangement of the KEF product in transit that is not attributable to the fault of KEF and its Authorised Distributor
   (c) deterioration of any consumable components of the KEF product which would become worn or depleted through use (e.g. batteries)
   (d) any KEF product whose serial number label(s) is/are missing, made illegible, defaced, altered, removed, or damaged
   (e) any KEF product and/or any of its components that are not purchased from an Authorised Dealer/Distributor, including any parallel imports or grey market products
   (f) incorrect or unauthorised components which have been substituted and/or used for the KEF Product
   (g) any KEF Product and/or any of its components which have been installed, disassembled, repaired, converted, modified, tampered with or otherwise interfered with in any way by any person/entity other than an authorised representative of KEF and its Authorised Distributors
   (h) any defects, malfunction, loss and/or damages caused by or resulting from any of the following:
      - any of the circumstances set out in (a)-(g) above
      - any accident or negligence not caused by the fault of KEF and its Authorised Distributors
      - any improper installation or connection of the KEF product (including without limitation any improper connection of the KEF product to improper voltage or power source) not caused by any fault of KEF and its Authorised Distributors
      - any improper care, dropping, mishandling, misuse, abuse or unreasonable or improper use, operation or maintenance of the KEF Product
      - any operation of the KEF product with any faulty, unsuitable or inappropriate apparatus and/or ancillary equipment
      - any use of the KEF Product under abnormal or inappropriate voltage or power surges;
      - failure to use, operate or maintain the KEF product in accordance with the instructions set out in the users' manual
      - exposure of the KEF product to extreme temperature, heat, water or other liquids, insects, excessive moisture, sand, chemicals, battery leakage or any other contaminants
      - any force majeure events, including but not limited to any acts of God, fire, lightning, typhoon, storm, earthquake, hurricane, natural disaster, tsunami, flood, war, riot, public disturbance
      - any other causes beyond the reasonable control of either KEF and its Authorised Distributor.

(E) LIABILITY

9. Other than the warranty and services set out in this warranty, to the fullest extent permitted by law, KEF and its Authorised Distributors shall not be liable to you and/or any third party or entity whatsoever for:
   (a) any loss, damages and/or malfunction caused to any product(s) which is/are connected to any of the KEF products
   (b) any damages, loss and liability (except for any personal injuries or death), whether direct, indirect, incidental, consequential special, punitive or otherwise, howsoever caused by, arising out of, or otherwise in relation to the installation, delivery, use, service, repair, replacement and/or maintenance of the KEF product; or
   (c) any damages, loss and liability (except for any personal injuries or death) under this warranty in respect of any act, omission, or negligence of any of their technicians, employees, agents, representatives or independent contractors relating to the actual or purported performance of any of the obligations under this warranty.
10. Without limiting the above, the maximum liability of KEF and its Authorised Distributors under this warranty shall not in any event or under any circumstances exceed the actual purchase price paid for the KEF product(s).
